

Compliance Report

> PWS Home / Compliance Report

 Schedule comments only apply to the sample point and SE it is associated with.

The only schedule comment that will reduce the expectation of a full set of results for a given location/SE is “I contacted EPA and received approval for not having valid UCMR 5 results.” All other comments are for follow up purposes.

* in the results column indicates the result is in a hold status

Missing in the results column indicates there is no result reported for that analyte
